WHEREAS, GSA will administer the Triangle Property and Trapezoidal Property pursuant to the laws, regulations, and policies governing the GSA and those for the areas of the Pennsylvania Avenue Plan and its features; and

NOW, THEREFORE, in accordance with the authority provided by 40 U.S.C. § 8124(a) and pursuant to the foregoing recitals, which are hereby incorporated as if fully set forth below; and in consideration of the mutual promises herein expressed, the NPS and GSA agree on the transfer of jurisdiction from NPS to GSA of the Triangle Property and the

Trapezoidal Property and the features they contain including but not limited to street furniture, paving, landscaping, and the Benjamin Franklin statue, pursuant to the following:

1. Title to the Triangle Property and Trapezoidal Property shall remain with the United States and GSA shall exercise administrative jurisdiction over said Properties;
2. The NPS current regulations at 36 CFR § 7.96 designated a portion of the Triangle Property and the Trapezoidal Property for the use of the Presidential Inaugural Committee bleacher areas. GSA agrees that, upon the request of the Presidential Inaugural Committee (PIC), GSA and GSA's lessee shall permit the installation of PIC bleachers in the areas previously designated in connection with the Inauguration Parade pursuant to 36 CFR § 7.96; however, if PIC seeks the use of the area described in Part 1 of this Transfer Agreement for its bleachers, the NPS shall work in good faith to (1) amend its regulations at 36 CFR 7.96 to remove the PIC bleacher area at Part 1 and to substitute an alternative sidewalk area elsewhere that maintains substantially the same PIC bleacher seating volume in connection with the Inauguration Parade and (2) in the meantime, ensure that the PIC's bleacher is located there for only a reasonably minimal duration, so that access to the OPO, including vehicular access, is not unreasonably impaired; and
3. GSA shall retain the Benjamin Franklin Statue in its current location unless and until the Pennsylvania Avenue Plan is amended to change this location at which time relocation would be in accord with GSA Fine Arts Policy, and so long as the Statue is administered by GSA, GSA shall care for the Benjamin Franklin Statue through an ongoing maintenance program meeting the highest professional standards.

EFFECTIVE DATE: This Statement of Jurisdiction and Declaration of Covenants is effective on the date it is recorded by GSA in the land records of the District of Columbia.

RE-CONVEYANCE OF INTEREST TO GSA-SELECTED LESSEE: Following the Effective Date, GSA will provide that in any Ground Lease for the Old Post Office that includes the Triangle Property and the Trapezoidal Property, *that* GSA will retain sole responsibility for the Benjamin Franklin Statue, and *further that* GSA's lessee shall, upon the request of the Presidential Inaugural Committee, permit the installation of PIC bleachers in the areas previously designated in connection with the Inauguration Parade pursuant to 36 CFR § 7.96; however, if PIC seeks the use of the area described in Part 1 of this Transfer Agreement for its bleachers, the NPS shall work in good faith to (1) amend its regulations at 36 CFR 7.96 to remove the PIC bleacher area at Part 1 and to substitute an alternative sidewalk area elsewhere that maintains substantially the same PIC bleacher seating volume in connection with the Inauguration Parade and (2) in the meantime to ensure that the PIC's bleacher is located there for only a reasonably

minimal duration, so that access to the OPO, including vehicular access, is not unreasonably impaired.

IN WITNESS THEREOF, the Parties have caused this Document to be executed by their duly authorized representatives.
